This Dual Sport ride will be run in the same trails that our fall enduro is run on. It will be a two loop run with the start, gas, and finish at the bridge. Each loop will be 25 to 50 miles long. The course overall will be challenging with some difficult sections. There will be A & B sections. No road bikes please. A Poker Run layout for this event will decide who gets the plaques. This should be a fun ride for all. *Free hot dogs and cokes after the ride.*
