DISCOVER INDIANA RIDING TRAILS

A grass roots organization dedicated to creating opportunities for responsible motorized trail and secondary road users in Indiana.

D.I.R.T really appreciates your support in the past. We are doing some very important work. For the first time in 20 years, Hoosier Motorcyclists have an organization working for them to secure trail riding opportunities. With your continued support, we can accomplish so much more! The "Power that Be" only listen to groups that represent the largest total number of people. We REALLY need your support.
